TRAVIS COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)  
**Invitation to Comment on the Travis County CDBG-DR  
*Revised* Housing Guidelines: 2015 Flood Events**

In May and October of 2015, Travis County experienced floods that were declared Presidential Disaster Areas. As a part of the declaration, the U.S. Department of Housing and Urban Development (HUD) is providing funds to the State of Texas through the Texas General Land Office (GLO) to be distributed to affected areas to facilitate long term recovery in the form of Community Development Block Grant Disaster Recovery (CDBG-DR) funds. From these funds, Travis County is receiving an award of \$1,366,574.00 for housing recovery. The Travis County CDBG-DR Homebuyer Assistance Program will provide homebuyer assistance activities for low- to moderate-income individual households who were impacted renters or homeowners at the time of the May or October 2015 floods and who have selected a home within Travis County.

Eligible homebuyer assistance activities supported by these funds will be administered by Travis County under the guidelines and oversight of the GLO. The GLO approved the Travis County Housing Guidelines on August 5, 2020. Travis County presents, with additional minor changes, the general housing guidelines put forth by GLO published September 19, 2018 for the 2015-2016 Community Development Block Grant Disaster Recovery (CDBG-DR) Flood Recovery.
